Position Summary

Reporting to the Post-Secondary & University Coordinator, South Region, the Instructor will plan and deliver the Early Childhood Education Level 2 Certificate program. The Instructor:

Main Responsibilities

- Prepares course outline and classroom instruction content to meet curriculum requirements.
- Identifies resources required for program delivery.
- Delivers classroom instruction consistent with the established curriculum, instruction plans, learning outcomes, instructional plans, learning objectives and with adult education principles.
- Utilizes adult education principles, methodologies and techniques including determining when different teaching styles are required to address differing learning needs.
- Implements student examinations and learning assessment tools that meet and follow the curriculum and College guidelines, standards and requirements.
- Implements in the course presentation, references to life and cultural experiences that connect to the subject material and enhance student comprehension and learning.
- Organizes and manages the classroom to ensure an optimum learning environment.
- Establishes, communicates and implements classroom participation and activity protocols, procedures and expectations.
- Administers the College attendance policy including recording daily student attendance and reporting attendance.
- Engages with, motivates and provides support to students in order to contribute to a positive and successful learning experience.
- Continually monitors and provides feedback on student classroom participation and learning progress.
- Counsels students on classroom participation and study techniques to enhance their learning ability and success in the program.
- Records and submits student assessment and evaluation marks on all tests, assignments and projects.
- Identifies student learning issues and refers students to, or consults with professional assistance.
- Implements student learning assistance plans as may be established.
- Assumes responsibilities outside the classroom by participating in College projects, programs, and activities as needed.
- Performs other responsibilities and duties as may be assigned to contribute to the success of student learning and a positive participation experience in College programs and activities.
