# 2024 School Registration

Try-A-Trade Interactive Education and Career Fair 2024 plans are well underway! This unique career fair allows students to have hands-on experience with trades, other professions and exploring an exciting as well as rewarding career in the trades.

It's projected that by 2023, there will be approximately 34,200\* positions available in the construction trades due to retirements and the growth of trades sectors. Additionally, with demand in the agriculture, tourism and service sector, automotive repair sector, and production and maintenance sector, there is no better time than now to aid in shaping the future of Saskatchewan's youth.

**School registration forms are due on September 27, 2024**, however to ensure your desired arrival time slot; please register as soon as possible, prior to the deadline.
